

**ViCAP ALERT:
UNIDENTIFIED VICTIM**

Attention: Homicide, Missing Persons, Sex Crimes and Crime Analysis Units

On March 2, 2008, a hiker located a human skull in a desert area of Benson, Arizona. An initial half mile radius was searched for other skeletal remains, no additional human remains were found. One braided nylon cord possibly from a piece of clothing, a sweat shirt with the name "Joker" on the right sleeve, a pair of athletic shorts, a sole of a shoe, and a bath towel were located. The cause of death and manner of death are undetermined.

Race: White
Sex: Female
Age: 25-35 Years

Reconstruction developed by Officer Cheryl Ryan, State of Arizona Capitol Police
(October 20, 2008)
